

Our growth - your future.

The company K.U.L.T. Kress is one of the leading manufacturer of special cultivation equipment.

Our mechanical tools, our camera technology and the customization of individual machines made K.U.L.T. a globally acting name in the cultivation business.

As the market for our equipment is steadily growing, so are we. **Therefore we are looking for you the new:**

Sales Representative Italy / Southern Europe (m/w/d)

Your tasks:

- Consulting with customers and setup machinery at dealerships and farms, as well as organizing and participating at trade fairs and field days.
- Support and perform prospecting, quoting and order-realization with the help of our sales team
- Setup, maintain and enhance the customer relations as well as our dealer networks
- Reach sales targets
- Six months training period at the company headquarter in southern Germany. After the training period, personal visits (as required) at the company headquarter are mandatory

Your qualifications:

You enjoy selling agricultural machinery and are working in an accountable and solution-based approach.

You also provide:

- initial experience in mechanical weed control/hoeing technology for special crops
- a completed apprenticeship in the field of agriculture or similar qualifications
- mechanical skills
- a very high willingness to travel, especially in Italy, Spain and France
- fluent in written and spoken English and Italian; Spanish, French or German is helpful
- Ability to work in a team, be self-initiative and have a very high level of self-organization
- EU-Driving license B, BE or C is helpful

With us, you can expect an interesting, varied job with your own creative possibilities in a committed, motivated team with performance-related pay. The position is full-time and can be started immediately with flexible working hours.

Have we piqued your interest?

Then send us your application with details of your salary expectations.
